CLASS OF 2022

The face of Croatian yachting is changing..

Welcome to the new breed of modern hand-built 'leisure sailers' making waves in the Adriatic. Making use of the latest advances in performance and technology, these elegant and sleek vessels feature supreme comfort and design, and are the result of the emphatic re-birth of the centuries old local Croatian ship-building industry. Life is Good is the latest example and will be completed for charter in early 2022.
